## **52nd Annual Conference & Workshops**

23-26 JULY 2024 | UNIVERSITY OF MANCHESTER

### **POSITIVE BEHAVIOUR SUPPORT DAY**

***Wednesday, 24<sup>th</sup> July 2024***

A special one-day meeting on Positive Behaviour Support (PBS) will be held on Wednesday, 24<sup>th</sup> July at the University of Manchester during the BABCP Annual Conference. The day will be available in person or online.

PBS is a multicomponent framework for developing an understanding of behaviour that challenges based on assessment of social, physical and individual factors and utilising evidence-based support. The overall goal is to enhance the person's quality of life, thus reducing the likelihood of challenging behaviour.

Delegates registered to attend the full conference or have registered for a day registration on 24<sup>th</sup> July can attend all or part of this day. Delegates who only wish to register for this day independently of attending the conference can do so by using this link. There is also the option to just attend the half day workshop in the morning online
